

NVR upgrade on UI

Tiandy Technical Support Team 23/08/2020

Description

NVR upgrade on UI

Prerequisites

■USB flash disk

Already got FW

Set up steps

1.Copy the upgrade box to the USB drive and plug the USB drive into the NVR. 2. There are 2 ways to upgrade NVR. Firstly, insert the USB flash drive into the NVR and the following screen will appear, select 'System Upgrade'.

委国际互联网计算机 上存脱和处理方面信息
